## EARLY BIRD Subscriptions: MY PHIL - MY WAY!

We make it easy for you to enjoy Michigan Phil concerts with several ways you can design your own season ticket package.

Mix & Match – Live Perfomances: You need to purchase a minimum of 5 tickets to get a subscription, but you can mix and match the tickets any way you like, even ordering them all for just one concert.

Live music is the best, but sometimes it's just not possible to attend in person. That's why we also offer a complete set of digital recordings of our performances as a part of your subscription package.

Pay Now, Choose Later: Don't know your schedule yet or can't decide? Then pay now and choose your concerts later.
